third party (not a member or officer of that authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

If a community or town Council resolves that a particular duty requires an overnight stay, it can authorise reimbursement of subsistence expenses to its members at the maximum rates set out below on the basis of receipted claims:

- £28 per 24-hour period allowance for meals, including breakfast where appropriate.
- £200: London overnight.

These rates remain unchanged from 2022⁴. Requests for such payments should be made to the Clerk and will be overseen by the Establishment Committee.

Costs of care or personal assistance

Members, including co-opted members are entitled to claim towards the costs of care and personal assistance, for activities that the individual council has designated official business or an approved duty which might include appropriate and reasonable preparation and travelling time. This payment is mandatory to increase diversity amongst councillors and is unchanged from the guidance in 2022⁵.

- Formal (registered with Care Inspectorate Wales) care costs to be paid as evidenced.
- Informal (unregistered) care costs to be paid up to a maximum rate equivalent to the Real Living Wage hourly rates as defined by the [Living Wage Foundation](#) at the time the costs are incurred.

It is important to note that care costs cannot be paid to someone who is a part of a member's household.

Requests for such payments should be made to the Clerk and will be overseen by the Establishment Committee.
